COMMUNITY THANKSGIVING SERVICE

St. Patrick Church, 212 Meredith St., Kennett Square

We have a lot to be thankful for in our community. Plan to join us as the community comes together in thanksgiving.

The Kennett Community Choir will provide special music, and together we will lift our voices in thankfulness and praise.

The Kennett High School Humanitarian Club will join us and share news about their participation in the Four Diamonds Mini-THON to raise funds to support the fight against childhood cancer.

There will be an opportunity for people to give in support of families who battle cancer, and our students who are working to help ease their struggle. To learn more about their work, visit khsminithon.org
